PR-005/2016

### **U.S. Embassy Condemns Suicide Attacks Against IDPs in Dikwa**

The U.S. Embassy condemns the reported suicide attacks on internally displaced persons in Dikwa town, Borno state that occurred on February 9. We extend our deepest condolences to the families of the victims. The United States remains committed to assisting internally displaced populations in northeastern Nigeria through humanitarian relief efforts. We also continue to support the Nigerian government in its fight against terrorism.
